

Vaughn Elementary Library 2019-2020

Dear Parent/Guardian:

Welcome back to another fun and exciting year at Vaughn Elementary! My name is Patti Wilson and I am the Library Tech at Vaughn.

Your child will be visiting the library once a week with their class to learn library skills, listen to great stories, check out books that interest them and have fun!

Depending on their grade level, students will check out from 1-5 books each week.

- Kinder and 1st grade students may check out one book per week
- 2nd grade may check out two
- 3rd grade up to 3
- 4th grade up to 4
- 5th grade up to 5
- I will work with **responsible** library patrons to make sure they have all the books they feel they need each week!

Students should have their library books with them at school *every week* on their scheduled library day. They will return them and check out new books, or renew the ones they have not finished.

Please encourage your child to take care of their library books! Kinder students will receive a special library bag with their name on it to transport books to and from home. Our library requires payment for lost or damaged books. I will send printed overdue notices home with students at least once a month if their books have not been turned in. Please check regularly with your child to see if they have a notice. Sometimes the notice will be in their Friday folder.

If you have questions or concerns, you may reach me at 253-530-4721 or send an email to wilsonp@psd401.net. I am with students most of the day, so I may not be immediately available, thanks in advance for your patience if you leave me a message!

Thanks so much and I look forward to helping your reader grow!!

Patti Wilson
