Course scheduling for 2019 - 2020 begins soon!

Counselors will begin meeting with students at PHS during the week of March 11th and will finish registration during the week of March 25th.

Registration presentations will be conducted for current 9th - 11th graders via their English classes March 12th - 22nd. Meeting in small groups, Counselors will provide all students with information packets that will include registration instructions specific to each grade level, a Graduation Checklist to help students determine their remaining credit requirements, and the registration form specific to their grade level. Each student will get to meet with their own Counselor in these small groups. We’ll demonstrate how to complete all forms, share new course offerings, and guide students individually based on future educational goals. Students will be provided with time to complete the forms but it is our hope that they will continue this process collaboratively with a parent/guardian or trusted adult. Please ask your student to show you their forms and discuss their selections - your feedback is important and valuable! We have asked students to obtain your signature acknowledging their course selections. Students enrolling in Advanced Placement classes have an additional form they are required to complete that also includes your signature. *This form must be complete at the time of registration!*

**Current PHS Students:**
- **Presentations:**
  - Juniors: 3/12 & 3/13
  - Sophomores: 3/19 & 3/20
  - Freshmen: 3/21 & 3/22

Middle School Presentations

Dave Burmark, PHS Career Counselor, will be visiting both Harbor Ridge & Key Peninsula Middle Schools for pre-registration presentations. He’ll distribute preliminary information about interest pathways, course offerings, and graduation requirements to ensure the Class of 2023 is ready to begin their adventures in high school and beyond! Mr. Burmark will visit KPMS during the week of March 18th. He will be at HRMS the week of March 25th. Parents: Be on the lookout for the PHS Course Catalog and lots of other great materials from Mr. Burmark!

The PHS Counseling and Administrative Teams will be back to each middle school to distribute registration packets during the second week of April. The teams will present to students and talk about life at PHS on the first day, then return later the same week to have students enter their course requests via the Parent Portal (registration forms are turned in at this time).

KPMS: Your assembly is Monday, April 8th | Registration is Thursday, April 11th.
HRMS: Your assembly is Tuesday, April 9th | Registration is Friday, April 12th.

Incoming Parent Night - Class of 2023
Wednesday, April 3rd at 6pm | PHS Auditorium

Incoming Seahawk Night is the time to learn about PHS! You’ll hear from Administration, Athletics, PHS Students and Counselors about everything you need to know to register for classes and have a smooth transition to High School. This information session is a great way to learn about all the opportunities students have at PHS to learn, to grow, and to BE AWESOME! All new students and parents are welcome to attend.

For students new to our district: Families are required to complete our 2019 - 2020 online enrollment, which is now available. Additional documentation is also required (proof of address, shot record, etc.). Please contact our Counseling Department Secretary, Donna Minshull, for more information: (253) 530-4431.

As you can see, the registration season is an especially busy time for the Counseling Team as we are away from our offices working with students. Please know we will do our best to return to your phone calls, emails and requests for meetings as quickly as we can.

We appreciate your patience and understanding!
